It is proposed, and the Placer Gold Mines Company is hereby permitted, to construct a reservoir to be formed by a dam across the creek, covering an area of Crown land of about 40 acres, more or less. The site of the reservoir comprising an area of approximately 160 acres, and to be acquired by location, is one mile above the north end of the canyon. The water will be conveyed by means of ditches, wooden flumes, pipes, and natural water-courses and be used for hydraulic-mining purposes on the Thistle, Rose, and Shamrock Mining Creek Leases.

AND THIS IS FURTHER TO CERTIFY that the amount of capital of the Company is one million dollars, the whole of which capital is fully paid up.

That the time within which the said undertaking and works are to be commenced is fixed at two months from the date hereof, and the date by which all the proposed undertaking shall be completed and in operation is fixed at two years from the date hereof.

That the locality, place, or district within which the corporate powers of the Company in respect of its undertaking and works are to be exercised may be described as follows: On and adjacent to Ruby Creek, in the Atlin Lake Mining Division in the District of Atlin, Province of British Columbia.

LEGISLATIVE ASSEMBLY.**PRIVATE BILLS.**

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867,"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction

or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants; such notice to be published as follows:—

In the *BRITISH COLUMBIA GAZETTE*, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be

recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals*, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Under a new rule (*see Journals* 7th March, 1908), in the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 57, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Dated November 5th, 1901.

THORNTON FELL,

Clerk, Legislative Assembly.

"FIRE DEBENTURE OR REGISTERED STOCK BY-LAW, 1910."

A By-law to enable the Council of the Corporation of the City of New Westminster to raise by Loan the Sum of Twelve thousand dollars (\$12,000) for the Erection and Equipment of a Fire Hall at the West End and for the Purchase of a Combination Hose and Chemical Auto Driver.

WHEREAS it is proposed to erect and equip a Fire Hall at the West End of the city, and to purchase a Combination Hose and Chemical Auto Driver for No. 1 Fire Hall, in the said city, entailing the expenditure of \$12,000:

And whereas it appears that if the said sum of \$12,000 be appropriated from the general revenue of the city for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures or registered stock certificates should be issued for that amount:

And whereas, for the payment of interest on the debentures or registered stock certificates proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures or registered stock certificates when due, it will be necessary to raise by special rate, in addi-

tion to all other rates, each year during the currency of the said debentures or registered stock certificates, the sum of six hundred and seven and 23/100 dollars (\$607.23):

And whereas, in order to raise the said yearly sum of six hundred and seven and 23/100 dollars (\$607.23), an equal special rate on the dollar will be required to be levied on the whole rateable property of the City of New Westminster:

And whereas the whole rateable property of the said city, according to the last revised assessment roll thereof, is seven million two hundred and forty-nine thousand and ten dollars (\$7,249,010):

And whereas the total amount of the existing debenture debt of the said city is one million six hundred and seventeen thousand one hundred dollars (\$1,617,100), irrespective of the sum of three hundred and twelve thousand five hundred dollars (\$312,500) proposed to be raised under the "Street Improvement Debenture or Registered Stock By-law, 1910"; the "Lulu Island Bridge Debenture or Registered Stock By-law, 1910"; the "Schools Debenture or Registered Stock By-law, 1910," and the "Parks Debenture or Registered Stock By-law, 1910," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures or registered stock certificates hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of \$12,000 and to cause the same to be paid into the Treasury of the said city for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures or registered stock certificates to be made, not exceeding in the whole the sum of \$12,000, for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures or registered stock certificates shall be sealed with the Seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised.

3. 4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all the rateable property of the city, sufficient to pay the interest upon the debentures or registered stock certificates, and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

"STREET IMPROVEMENT DEBENTURE OR REGISTERED STOCK BY-LAW, 1910."

A By-law to enable the Council of the City of New Westminster to raise by Loan the Sum of One hundred and fifty thousand dollars (\$150,000) for Street Improvements.

WHEREAS certain sums of money have this year been expended out of the general revenue of the city for the construction, improvement, and repair of streets and sidewalks, and it is expedient that additional sums be spent in like manner, amounting in all (with the sums already spent) to the sum of one hundred and fifty thousand dollars (\$150,000):

And whereas it appears that if the said sum of one hundred and fifty thousand dollars (\$150,000) be appropriated from the general revenue of the city for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures or registered stock certificates should be issued for that amount:

And whereas, for the payment of interest on the debentures or registered stock certificates proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures or registered stock certificates when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures or registered stock certificates, the sum of seven thousand five hundred and ninety and 32/100 dollars (\$7,590.32):

And whereas, in order to raise the said yearly sum of seven thousand five hundred and ninety and 32/100 dollars (\$7,590.32), an equal rate on the dollar will be required to be levied on the whole rateable property of the City of New Westminster:

And whereas the whole rateable property of the said city, according to the last revised assessment roll thereof, is seven million two hundred and forty-nine thousand and ten dollars (\$7,249,010):

And whereas the total amount of the existing debenture debt of the said city is one million six hundred and seventeen thousand one hundred dollars (\$1,617,100), irrespective of the sum of one hundred and seventy-four thousand five hundred dollars (\$174,500) proposed to be raised under the "Lulu Island Bridge Debenture or Registered Stock By-law, 1910"; the "Fire Debenture or Registered Stock By-law, 1910"; the "Schools Debenture or Registered Stock By-law, 1910," and the "Parks Debenture or Registered

Stock By-law, 1910," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures or registered stock certificates hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of one hundred and fifty thousand dollars (\$150,000), and to cause the same to be paid into the treasury of the said city for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures or registered stock certificates to be made, not exceeding in the whole the sum of one hundred and fifty thousand dollars (\$150,000), for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.86 to the pound sterling; and all such debentures or registered stock certificates shall be sealed with the Seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised.

3. The said debentures or registered stock certificates shall be payable on the first day of July, 1960, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall bear interest at the rate of four and one-half per centum per annum, payable half-yearly on the first day of January and the first day of July in each and every year, and the debentures shall have attached to them coupons for the payment of interest, which said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all the rateable property of the city, sufficient to pay the interest upon the debentures or registered stock certificates, and to create a sinking fund for the payment of the principal thereof when due, subject to any act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rate as aforesaid, during the currency of the said debentures or registered stock certificates, the sum of six thousand seven hundred and fifty dollars (\$6,750) for the payment of the interest thereon, and the sum of eight hundred and forty and 32/100 dollars (\$840.32) to provide for the payment of the principal.

6. The proceeds of the sale of the said debentures or registered stock certificates shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law, and the issue and sale of the debentures or registered stock certificates therein referred to; recouping the Treasury of the city such sums as have been this year expended in street works, or may be so expended until the proceeds of the sale of the said debentures or registered stock certificates have become available; the making, improving, and repairing of such streets and sidewalks in the city as may be deemed expedient by the Council, but no sidewalk or street shall be made or repaired out of the moneys borrowed under this By-law unless the same shall have first been approved by a resolution of the Council.

7. This By-law shall take effect on the 1st day of August, 1910, and may be cited as the "Street Improvement Debenture or Registered Stock By-law, 1910."

8. This By-law before the final passing thereof shall receive the assent of the electors of the said city in the manner required by law.

Received the assent of the electors on the 14th day of July, 1910.

MUNICIPAL BY-LAWS.

"LULU ISLAND BRIDGE DEBENTURE OR REGISTERED STOCK BY-LAW, 1910."

A By-law to enable the Council of the City of New Westminster to raise by Loan the Sum of Thirty thousand dollars (\$30,000) to complete the Payments for the Materials and Construction of Lulu Island Bridge.

WHEREAS the sum of thirty thousand dollars (\$30,000) is required to complete the payments for the materials and construction of Lulu Island Bridge; and it appears that if the said sum of thirty thousand dollars (\$30,000) be appropriated from the general revenue of the city for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures or registered stock certificates should be issued for that amount:

And whereas, for the payment of interest on the debentures or registered stock certificates proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures or registered stock certificates when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures or registered stock certificates, the sum of fifteen hundred and eighteen and 07/100 dollars (\$1,518.07):

And whereas, in order to raise the said yearly sum of fifteen hundred and eighteen and 07/100 dollars (\$1,518.07), an equal special rate on the dollar will be required to be levied on the whole rateable property of the City of New Westminster:

And whereas the whole rateable property of the said city, according to the last revised assessment roll thereof, is seven million two hundred and forty-nine thousand and ten dollars (\$7,249,010):

And whereas the total amount of the existing debenture debt of the city is one million six hundred and seventeen thousand one hundred dollars (\$1,617,100) irrespective of the sum of two hundred and ninety-four thousand five hundred dollars (\$294,500) proposed to be raised under the "Street Improvement Debenture or Registered Stock By-law, 1910"; the "Schools Debenture or Registered Stock By-law, 1910"; the "Fire Debenture or Registered Stock By-law, 1910," and the "Parks Debenture or Registered Stock By-law, 1910," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

1. It shall be lawful for the Mayor of the said city to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures or registered stock certificates hereinafter mentioned, any sum or sums of money not exceeding in the whole the sum of \$30,000 and to cause the same to be paid into the Treasury of the said city for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures or registered stock certificates to be made, not exceeding in the whole the sum of \$30,000 for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures or registered stock certificates shall be sealed with the Seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised.

3. The said debentures or registered stock certificates shall be payable on the first day of July, 1960, at such place or places as the Council of the said Corporation may from time to time appoint with the approval of the holders thereof, and shall bear interest at the rate of four and one-half per centum per annum, payable half-yearly on the first day of January and the first day of July in each

and every year, and the debentures shall have attached to them coupons for the payment of interest, which said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all the rateable property of the city, sufficient to pay the interest on the debentures or registered stock certificates, and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rate as aforesaid, during the currency of the said debentures or registered stock certificates, the sum of thirteen hundred and fifty dollars (\$1,350) for the payment of the interest thereon, and the sum of one hundred and sixty-eight and 07/100 dollars (\$168.07) to provide for the repayment of the principal.

6. The proceeds of the said debentures or registered stock certificates shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law, and the issue and sale of the debentures or registered stock certificates therein referred to, and all expenses in connection with the said loan; recouping the Treasury of the said city such sums as have been expended until the proceeds of the sale of the said debentures or registered stock certificates become available, and to complete the payments for the materials and construction of said Lulu Island Bridge.

7. This By-law shall take effect on the 1st day of August, 1910, and may be cited as the "Lulu Island Bridge Debenture or Registered Stock By-law, 1910."

8. This By-law before the final passing thereof shall receive the assent of the electors of the said city in the manner required by law.
